

## Metal Impairments and TMDLs Dorchester County, Maryland

The impaired waters shown here are based on the 2008 Integrated Report (combined 303(d) List and 305b Report) and may not reflect the exact area of impairment within that water body. Due to the small size of several of the tidal segments in Dorchester County, it is difficult to distinguish the impairment status. Please refer to the attached list for details. For current details regarding the IR please contact Matt Rowe @ 410-537-3578 or [mrowe@mde.state.md.us](mailto:mrowe@mde.state.md.us). For current details regarding the TMDL status, please contact Melissa Chatham @ 410-537-3937 or [mchatham@mde.state.md.us](mailto:mchatham@mde.state.md.us).
