Residential & Commercial Services

Member since June 2013

## Management and Leadership

### Environmentally Preferable Products and Services

*BumbleJunk LLC strives to be the most eco-friendly junk removal company in the industry. Our goal as a company with dedication and continuing education is to reuse or recycle 100% of all metals, paper and electronics that are removed from our clients' homes and business.*

### Environmental Restoration or Community Environmental Projects

*BumbleJunk works hand in hand with our local communities to keep Maryland's streets and neighborhoods clean. We participate in and sponsor Harford County's Annual "Clear Your Clutter Day" a one-stop location for people to clear the clutter in their homes in an environmentally responsible way.*

## Waste

### Solid Waste Reduction and Reuse

*BumbleJunk donates all reusable furniture and clothing to local charities (Goodwill, Habitat for Humanity, Purple Heart, and Salvation Army) and churches whenever possible.*

**Recycling**

*BumbleJunk recycles metals, paper, electronics, and construction debris from our clients' homes. During the second quarter of 2013, we diverted 24.4 tons of material from local landfills by recycling the following amounts:*

*Metal: 18.5 Tons*

*Paper: 3.8 Tons*

*Electronic Scrap: 2.1 Tons*

*Through our continuing efforts of recycling and donations we have saved over 88 tons of unwanted items from reaching local landfills since 2012.*

**Transportation**

**Fleet Vehicles**

*We have begun to update our trucking fleet to more eco-friendly models to reduce our carbon footprint and reduce our fuel usage.*

*Help build a greener, more sustainable Maryland through voluntary practices that reduce environmental impacts and save money.*
