

Department of the Environment
Vehicle Emissions Inspection Program

Training Class Information

Weber State University ASE L1 Test Preparation Class

The **FREE** class “**ASE L1 Test Preparation**” will be taught by Utah’s Weber State University on Friday, March 9, 2018 and Saturday, March 10, 2018 from 9:00 AM to 5:00 PM.. **Both sessions will cover the same material.** The class is being held at the Maryland Department of the Environment’s Baltimore headquarters.

This course is designed to prepare students to take the ASE L1 Advanced Engine Performance Specialist Test. Course content will include ASE L1 specific and ASE general test preparation aids. A discussion of ASE L1 test content, including exhaust gas analysis and emissions failure diagnosis, will be included. ASE test question types and test taking strategies will be covered. L1-specific test details will include discussion of the ASE composite vehicle booklet and its proper use. A sample ASE L1 type practice exam will be included and reviewed.

Course Focus:

- Test taking tips and techniques
- ASE style test questions (i.e. tech A/tech B, except, most likely, etc.)
- Overview of the white book and composite engine
- 5-gas analysis
- Practice test
- Practice test review covering all test questions

Please contact Margie Wise with MDE to register for this course. She may be reached at (410) 537-3197 or by e-mail margie.wise@maryland.gov . **All of the training sessions will cover the same material.
