

Facts About...

3515 Dolfield Road
Brownfield Site

Site Location

The 3515 Dolfield Road site was located at 3515 Dolfield Road in the Ashburton section of Baltimore City.

Site History

The Baltimore Auto Supply Company (BASC) occupied the building at 3515 Dolfield Road from May 1948 until June 1994. After BASC vacated the property in 1994, Baltimore City entered the site into the Brownfield Program. Prior to completion of the Brownfields Assessment, Baltimore City requested that the site be removed from the program. MDE complied with that request.

Environmental Investigations

No environmental investigations are on record for this facility. MDE never completed the requested Brownfields Assessment.

Current Status

The Ivy Support Center, Epsilon Omega, A1 24 Hour Lock and other small businesses occupy space in the 3515 Dolfield building.

Contact

MDE has no information about this site.
