Oil Control Program Discharge Permit Applications Completion Instructions

Certification by Treatment System Operator (Permit Holder):

All permit applications shall be signed as follows:

For a corporation: by a responsible corporate officer. For the purpose of this section, a responsible corporate officer means:

- (i) A president, secretary, treasurer, or vice-president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation; or
- (ii) The manager of one or more properties belonging to the owner, if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

For a partnership or sole proprietorship: by a general partner or the proprietor

For a municipal, State, federal, or other public agency: By either a principal executive officer or ranking elected official. For purposes of this section, a principal executive officer of a federal agency includes:

- (i) The chief executive officer of the agency; or
- (ii) A senior executive officer having responsibility for the overall operations of a principal geographic unit of the agency (e.g., Regional Administrators of the EPA).

FEE: The annual fee for this permit is \$120 and is due at the Department on July 1 of each year. For NOI applications submitted after July 1, the fee will be prorated such that the fee will be \$10 for each month or portion of a month remaining in the year which ends June 30. For example, an application submitted in January has 6 months before the June 30th ending date, therefore 6 x \$10 = \$60 is the amount due for the permit. The appropriate fee shall be submitted with the initial NOI submission and the annual fee will be due each July 1 thereafter. State, local, and municipal owned facilities are exempt from fee.

Where to send fee:
