Additional Information		
Commissioners attending in Baltimore should park on the Red Lot at MDE; other persons attending should park on the Blue Lot. If there are any slide presentations, an attempt will be made to post them on MDE’s Marcellus Shale website on Monday morning so that those who cannot attend at either location can download the slides and follow along. To get the slides, go to www.mde.state.md.us ; on the home page, click on the center tile that has a picture of a drill rig and the words “Marcellus Shale Safe Drilling Initiative.” This will take you to a page with a link to the slide presentations, if any, for this meeting. The audio will be available by telephone. The toll-free dial-in number is 1-866-247-6034, and the conference code is 844 100 2064, followed by #.
