## CCR Electronic Delivery Plan

1. The Greenridge Public Water System, PWSID # 01-20-011,  
hereby requests permission to electronically deliver our Consumer Confidence Report (CCR).

At least one box has to be checked from EACH of the following two distribution (or notification) methods.

2. We propose to use the following electronic delivery methods. (Please check all that apply):

- ☐ Email with direct access to URL website link
- ☒ Postal mail with direct access to URL website link
- ☐ Email with CCR file attachment
- ☐ Email with CCR embedded
- ☐ Other (please describe) \_\_\_\_\_

3. We further propose to use the following standard delivery methods. (Please check all that apply):

- ☒ Mail a copy to bill paying customers
- ☐ Post notice of availability in prominent public locations
- ☐ Publish CCR in local newspaper

4. Describe the system's public outreach efforts that will introduce the electronic delivery concept and your efforts to notify customers of the change in delivery method (water bill, newsletter, etc.)

Customers will be mailed a notice with a direct URL link to inform them of the CCR availability.

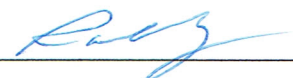

5. Provide any planned URL website link (upon approval, the link must be active for review).

WWW.UIWATER.COM/MD/CCR16/145.PDF

6. Attach a draft of the customer notification (email that prefaces the CCR or statement of CCR availability at a direct access URL website link which encourages readership of the CCR).

Approval need only be sought the first year of utilizing electronic CCR delivery methods. In subsequent years, water systems may continue to utilize their approved electronic delivery plan. To change an approved delivery method a water system must submit a new Electronic Delivery Plan.

Signature of Authorized Representative:  Date: 5/23/17

## NOTICE OF YOUR WATER QUALITY REPORT

We are pleased to inform you that the 2016 Annual Water Quality Report is now available. This report contains important information about the source and quality of your drinking water. The Report is a snapshot of last year's water quality for the water system that serves your home. This report is designed to inform you of the quality of water we delivered to you over the past year. Our goal is to provide you a safe and dependable supply of drinking water.

**Please go to [WWW.UIWATER.COM/MD/CCR16/145.PDF](http://WWW.UIWATER.COM/MD/CCR16/145.PDF) to view the Report and learn more about your drinking water.**

**If you do not have internet access and would like a paper copy of your Report, please call (844)310-6660. If you have access to email, you may contact us at [customerservice@uiwater.com](mailto:customerservice@uiwater.com) and a copy of your report will be provided within 7 days.**

We are committed to providing safe, reliable and cost effective service to our customers; a safe, challenging and enjoyable work environment for our employees; and a fair return for our shareholders, all with the underlying commitment to act with integrity, protect the environment, and enhance the communities we serve.

The result of that commitment is a team of water quality experts who make it their job to see that our customers are our top priority and to provide you with the highest quality drinking water and service now and in the years to come.

For a translation of the water quality report or to speak with someone about the report please call (844)310-6660.

*Este informe contiene información muy importante sobre su agua beber. Para una traducción del informe sobre la calidad del agua o para hablar con alguien sobre el informe, por favor llame al (844)310-6660.*
