

MARYLAND GREEN REGISTRY

BALTIMORE COMMUNITY TOOLBANK

SUSTAINABILITY LEADERSHIP AWARD WINNER

2021

The Baltimore Community ToolBank serves community-based organizations by providing tools, equipment, and expertise.

Environmental Achievements:

- Collects more than 1 million gallons of rainfall on the property annually and repurposes it for tool washing.
- Maintains two rain gardens that minimize runoff and provide habitat for native flora and pollinators.
- Promotes waste reduction and reuse through tool lending program.
- Reduced onsite energy consumption by 40%.
- Engages students and local businesses on stormwater management in an urban setting by encouraging individual actions to control runoff and reduce litter.
