MARYLAND CLEAN AIR ACT SECTION 128

Background

A State Implementation Plan (SIP) is a plan for each state that identifies how that state will attain and maintain the primary and secondary National Ambient Air Quality Standards (NAAQS). The SIP contains regulations, source-specific requirements, non-regulatory items such as plans and inventories, and other types of submittals designed to satisfy requirements promulgated by the U.S. Environmental Protection Agency (EPA). The initial SIPs for states were approved on May 31, 1972. SIPs may be revised by the state with EPA approval. The federally enforceable SIP for the State of Maryland is compiled under 40 CFR Part 52 Subpart V.

This document updates the Maryland Code statutory citations addressing Clean Air Act Section 128 for all NAAQS.

This submittal addresses Maryland's obligations under §128 for all NAAQS.

Clean Air Act § 128, State Boards

§ 128. State boards

(a)^{1,2} Not later than the date one year after August 7, 1977, each applicable implementation plan shall contain requirements that—

(1) any board or body which approves permits or enforcement orders under this chapter shall have at least a majority of members who represent the public interest and do not derive any significant portion of their income from persons subject to permits or enforcement orders under this chapter, and

(2) any potential conflicts of interest by members of such board or body or the head of an executive agency with similar powers be adequately disclosed.

A State may adopt any requirements respecting conflicts of interest for such boards or bodies or heads of executive agencies, or any other entities which are more stringent than the requirements of paragraph (1) and (2), and the Administrator shall approve any such more stringent requirements submitted as part of an implementation plan.

(July 14, 1955, ch. 360, title I, § 128, as added Pub. L. 95–95, title I, § 125, Aug. 7, 1977, 91 Stat. 725.)

EFFECTIVE DATE Section effective Aug. 7, 1977, except as otherwise expressly provided, see section 406(d) of Pub. L. 95–95, set out as an Effective Date of 1977 Amendment note under section 7401 of this title.)

¹So in original. Probably should be “calendar year”.

²So in original. Section enacted without a subsec. (b).

- Maryland does not have any board or body which approves air quality permits or enforcement orders; these are the sole responsibility of the Maryland Department of the Environment, except in the case of Certificates of Public Convenience and Necessity (CPCN). These are the pre-construction permits for utility installations which are issued by the Maryland Public Service Commission, an independent agency of the State.
- The Annotated Code of Maryland provisions below address the requirements of CAA § 128, the disclosure of potential conflicts of interest of the agency heads of the Maryland Department of the Environment and the Maryland Public Service Commission. These officials may issue permits and/or enforcement orders. Note that these provisions address CAA § 128 for all of the NAAQS.

The text below addresses the requirements of Section 128 of the Clean Air Act for all National Ambient Air Quality Standards (NAAQS).
