

## Welcome to the Climate Leadership Exchange

### Ambition to Action: Mobilizing for a Decade of Decarbonization

A virtual event, Tuesday, May 25<sup>th</sup>

#### Opening Plenary: A New Frontier for Climate Leadership & Transformation

Welcome Remarks

U.S. (Re)Joins Global Community to Combat Climate Crisis

Climate Priorities Coming out of the White House

12:30pm – 1:15pm ET

*Cecilia Martinez, Senior Director for Environmental Justice, CEQ*

Business Leads the Way: A Conversation on Climate Policy Engagement

*Michelle Patron, Director of Sustainability Policy, Microsoft*

*Bob Holycross, Vice President, Sustainability, Environment & Safety Engineering, Ford Motor Company*

1:15pm – 1:20pm ET

#### Transition

1:20pm – 2:20pm ET

#### Breakout Block #1: Small-group discussions led by experts in the field

##### Topic for Discussion: Pathways to Net Zero

*Participants join this discussion to explore emerging trends and challenges faced by companies and municipalities on their journey to net zero.*

##### Topic for Discussion: Ensuring A Green and Just Recovery

*Business, government and community leaders are focused on ensuring that environmental, economic and public health efforts to rebuild post-pandemic lead to more equitable outcomes. Participants are invited to discuss cross-sector collaborations and innovative solutions that can help advance a sustainable, inclusive, and equitable recovery.*

##### Topic for Discussion: Decarbonizing the Transportation Sector

*This discussion focuses on the technological breakthroughs and wide spread collaboration needed to decarbonize transportation, with an emphasis on efforts related to commercial and heavy-duty vehicles. Learn how corporate adoption and greater investment in supporting infrastructure will transform the transportation sector.*

2:20pm – 2:35pm ET

#### Break

2:35pm – 3:10pm ET

#### Plenary: Exploring the Intersection Between Environment, Economy, and Equity

What to Expect from a Biden EPA

Integrating Diversity, Equity, and Inclusion with Sustainability

*Gwen Migita, Vice President Social Impact, Sustainability, Diversity, Equity & Inclusion at Caesars Entertainment*

3:15pm – 3:20pm ET

#### Transition

3:20pm – 4:20pm ET

**Breakout Block #2:** Small-group discussions led by experts in the field

Topic for Discussion: **Advancing Climate Ambition in Your Supply Chain**

*Participants share how to gain better visibility into their supply chain footprint, prioritize the impacts and suppliers that matter most and leverage multi-stakeholder processes to engage suppliers and align scope 3 emission reduction goals.*

Topic for Discussion: **Building Coastal Resilience**

*Participants learn and share how coastal communities are creating plans and partnerships to build or restore infrastructure that will mitigate damage, allow for an equitable response to disasters and ensure tools are available for rapid response.*

Topic for Discussion: **Climate Collaboration: Scaling Partnerships and Achieving Results**

*Collaboration is needed, now more than ever, to meet ambitious climate goals and expand reach. Participants discuss how to scale partnerships, demonstrate results, and communicate impact.*

4:20pm – 4:25pm ET

**Transition**

4:25pm – 5:00pm ET

**Closing Plenary: Ambition to Action: Managing Risk, Leveraging Opportunity**

Climate-Related Financial Disclosure

Spotlight: Driving Digitization Efforts to Decarbonize Intel's Footprint
