### INSTRUCTIONS FOR COMPLETING REPORT

**SECTION 1:**
1. Check the box indicating the source of the scrap tires collected at your facility.
2. If you checked “Your Facility” or “Customers”, you do not need to complete SECTION 3.
3. If you checked “Other”, you must complete SECTION 3.
4. Proceed to SECTION 2.

**SECTION 2:**
1. List the name and license number of the scrap tire hauler who removed scrap tires from your facility.
2. List the type of scrap tires removed.
3. List the place of where the hauler took the scrap tires. *This is very important! Be sure the hauler tells you where your scrap tires are being delivered and the Maryland scrap tire license/approval number of that destination.* If the scrap tires are being delivered to an out-of-state facility, list the name and address of this facility.
4. List by quantity or tons how many scrap tires were removed from your facility.
5. If no scrap tires were hauled from your facility, write “None” or “0” in the TOTAL Scrap Tire Quantity box.

**SECTION 3:**
1. List where the scrap tires came from:
   A. If from haulers, please list the haulers’ names and their Maryland Scrap Tire Hauler License numbers in the appropriate boxes.
   B. If from individuals hauling less than 5 scrap tires, please write “Private” in the Source column; and “None” in the License Number boxes. If you receive scrap tires from many individuals, group them as a single entry.
   C. If the scrap tires are generated from your business, write “Company” in the Source column, and your license number in the License Number column.
2. List the type of scrap tires (i.e. passenger, truck) collected at your facility.
3. List by quantity or tons how many scrap tires were collected at your facility.
4. If no scrap tires were collected during this period, write “None” or “0” in the TOTAL Scrap Tire Quantity box.

**SIGNATURE:**
You must sign your name, print your name, and date the report at the bottom of the front page of this report.
