The Maryland Department of the Environment is posting this sign-in sheet so that we may generate a mailing list of concerned citizens, organizations and other members of the public. You are not required to provide information on the sign-in sheet, but if you do, you may receive further information about the subject of this public hearing from the Maryland Department of the Environment. As the Maryland Department of the Environment is a public agency subject to the Maryland Public Information Act, the sign-in sheet becomes part of the public record available for inspection by other members of the public. The permit applicant, the county or municipality, and elected officials may also receive copies, upon request, of this or any part of the public record. If you have any questions about this, please contact _____.
