| Solvent                                 | Mec12 / Acetone     |
| Solvent Lot #                           | 1226042             |
| Uncorrected N-evap Temperature          | 32 Degrees C        |

| Basis | Basis Description |
|-------|-------------------|
| T     | Total/NA          |

The pound sign (#) in the amount added field denotes that the reagent was used undiluted. All calculations are performed using the stated concentration for this reagent.
