USED OIL CONTRACTORS

Small amounts (5 gallons or less) of waste oil should be taken to a used oil recycling center. For the nearest location of a recycling center, call Maryland Environmental Services toll free at **1-800-473-2925** or visit the webpage: <https://menv.com/service/used-oil-antifreeze-recycling/>.

The following is a partial listing of used oil contractors that service the State of Maryland. These companies are arranged according to the county or state in which they are located. Most, if not all, service a larger area than where they are located. This list was prepared by the Department of the Environment from information available at the time of preparation. The Department makes no claim as to the completeness of this list or the quality of work performed by the contractors. Inclusion on this list is not to be considered an endorsement by the State of Maryland.
