

Transfer of Registration Under the General Discharge (GD) Permit for Animal Feeding Operation (AFO)

I _____, am the **current permittee** for the following AFO:

Facility/Operation Name: _____ AI# _____

Facility/Operation Address: _____

City: _____ County: _____ State: _____ Zipcode: _____

Registration Number: _____ Telephone Number: _____

- I sold this facility/operation on: _____ (Date)
- I retained ownership, but transferred the responsibility to **operate** this facility/operation on: _____ (Date)

The new owner/operator is:

Name: _____

Mailing Address: _____

City: _____ County: _____ State: _____ Zipcode: _____

Telephone Number: _____ E-mail Address: _____

I propose to transfer this facility's/operation's registration under the AFO GD Permit to the new owner/operator. The new owner/operator and I acknowledge the responsibilities and liabilities for compliance with the terms and conditions of the GD Permit. I acknowledge that the existing Nutrient Management Plan (NMP), Conservation Plan (CP) and/or Comprehensive Nutrient Management Plan (CNMP) (the "approved plan") is valid for this facility/operation. I have not received notification from the Maryland Department of the Environment within the last 30 days of intent to revoke the existing registration/coverage under the AFO GD Permit or to modify the terms of the existing approved plans.

Former owner/operator (current permittee):

Signature: _____ Printed Name: _____ Date: _____

New owner/operator (proposed permittee):

Signature: _____ Printed Name: _____ Date: _____

*** I understand that I must submit an updated copy of the signed pages of the CNMP (cover page, compliance agreement, implementation schedule, updated emergency contact form), NMP or CP that reflects the new owner/operator of this AFO**
