

**Maryland Department of the Environment  
Land and Materials Administration**

**Notice of Tentative Determination and Opportunity for Public Hearing**

In accordance with Sections 1-601, 1-602, and 1-604 of the Environment Article, Annotated Code of Maryland, the Maryland Department of the Environment (MDE) has made a Tentative Determination to approve a Groundwater Discharge Permit Renewal Application submitted by Pappy, Inc. (dba Waste Management). The application is for the continued discharge of wastewater generated by rainwater percolating through the rubble cell floor of the closed Oak Avenue Rubble Landfill into groundwater via infiltration/percolation. This landfill is located at 1020 Oak Avenue, Joppa, Harford County, Maryland 21085. The current permit requires the semi-annual monitoring of the groundwater for metals and organic compounds. The proposed permit allows MDE to set and maintain requirements for the continued monitoring of groundwater quality at the closed rubble landfill, and does not authorize an expansion or other change to the facility.

A Public Hearing will be held on the MDE's Tentative Determination on this permit application if a written request is received on or before **December 22, 2020**. The request should indicate the name, address and daytime telephone number of the person making the request, the name of any party whom the person making the request may represent, and the name of the facility. Any written comments concerning the Tentative Determination must be received by the close of business on **January 4, 2021**. Requests for a Public Hearing or written comments should be sent to: Ms. Kaley Laleker, Director, Land and Materials Administration, 1800 Washington Boulevard, Baltimore, Maryland 21230-1719. Upon prior request, MDE will provide an interpreter for the deaf or hearing-impaired persons.

The application, supporting documents, and draft permit will be available for review after December 1, 2020 on the MDE website: <https://mde.maryland.gov/programs/LAND/SolidWaste/Pages/index.aspx>. For further information regarding this notice, or to request an interpreter, please contact Ms. Sara Haile at (410) 537-3315 or [sara.haile@maryland.gov](mailto:sara.haile@maryland.gov).
