

**Maryland Department of the Environment  
Land Management Administration**

**Notice of Application Received and Opportunity for Informational Meeting**

In accordance with Sections 1-601, 1-602, and 1-603 of the Environment Article, Annotated Code of Maryland, the Maryland Department of the Environment (MDE) is presently reviewing a Groundwater Discharge Permit Renewal Application submitted by Waste Management of Maryland, Inc. The application is for the continued discharge of wastewater generated by rainwater percolating through the rubble cell floor of the closed Hunting Ridge Construction and Demolition Debris Landfill into groundwater via infiltration/percolation. This landfill is located at 6801 East New Market-Ellwood Road, Hurlock, Maryland 21641. The current permit requires semi-annual monitoring of the groundwater for metals and organic compounds. The proposed permit allows MDE to set and maintain requirements for the continued monitoring of groundwater quality at the closed rubble landfill, and does not authorize an expansion or other change to the facility.

An virtual Informational Meeting will be held in accordance with Executive Order of the Governor of the State of Maryland No. 21-03-09-03, if a written request is received by MDE on or before **May 26, 2021**. The request should indicate the name, address and daytime telephone number of the person making the request, the name of any party whom the person making the request may represent, and the name of the facility. Send the request to: Ms. Kaley Laleker, Director, Land and Materials Administration, 1800 Washington Boulevard, Baltimore, Maryland 21230-1719. Also, upon prior request, MDE will provide an interpreter for the deaf or hearing-impaired persons. MDE's virtual platform provides an option for closed caption.

The application and supporting documents will be available for review after May 11, 2021 on the MDE website: <https://mde.maryland.gov/programs/LAND/SolidWaste/Pages/index.aspx>. For further information regarding this notice, or to request an interpreter, please contact Ms. Sara Haile at (410) 537-3315 or [sara.haile@maryland.gov](mailto:sara.haile@maryland.gov).
