

MARYLAND DEPARTMENT OF THE ENVIRONMENT'S ENVIRONMENTAL SCIENCE STUDENT AWARD APPLICATION FORM

APPLICATIONS MUST BE SUBMITTED BY: MAY 1, 2015 – POSTMARKS NOT ACCEPTED

Please read MDE's Criteria for Selection before completing this application form. Applications can be completed and submitted online via email, Google documents, a cloud sharing device (i.e. Dropbox), or sent to MDE via U.S. Postal Service, FedEx or UPS. The Committee cannot accept nominations via fax. The Committee welcomes additional visual materials (press clippings, reports, photos or videos) that will enhance the judges' understanding of the project. **Please note:** when sending application and supporting materials via email, MDE can only accept up to 8 MB via email.

Application materials are considered public information once submitted. They should not include private or privileged information. Application materials will not be returned.

Completed application materials should include the following items, in this order by May 1:

1. Completed application form
2. Copy of 12th grade Quarter 1 and Quarter 2 report card or transcript
3. Two recommendation letters from a teacher or advisor. One of the recommendation letters must be from a teacher in the school's Science Department.
4. A minimum 200-word essay regarding an environmental project that he/she participated in or developed.
5. Copy of college acceptance letter
