On September 25, a Complaint, Order and Penalty for \$10,600 was issued to ER&WR for both operating a Natural Wood Waste Recycling Facility without a permit in 1995 and the subsequent violations of the permit which occurred in March and April of 1996. The

I have learned more about MDE by reading <i>MDEnvironment</i> .					
I have learned more about Maryland's environment by reading <i>MDEnvironment</i>					

My favorite section in *MDEnvironment* is:

- Select as many as you like!
- For the Record (Permit Listings)
 - Community news
 - Environmental features
 - Business features
 - Compliance notes
 - Other

I think *MDEnvironment* should be published

- Monthly
- Quarterly
- Bi-monthly
- Not at all

I would add:

- More environmental features
- More pictures
- More technical information (Be Specific)
- More environmental/community group profiles
- More permitting information
- More business profiles
- Other (Be specific)
