

**ELIGIBILITY DETERMINATION  
(Completed By the Department)**

After the applicants submit their proposals, the Department will use this form to determine the amount of Pounds or Tons/Year eligible to be purchased based on the Delivery Factor, and other factors listed in COMAR 26.03.13. Payments for the reductions will be made annually based on the environmental practice performance and the actual annual reductions reported by the applicant and verified by the Department for the prior calendar year.

**Environmental Practice Name:** \_\_\_\_\_

**Environmental Practice Location:** \_\_\_\_\_

<b>Reduction Type</b>	<b>Units*/Year</b>	<b>Delivery Factor</b>	<b>Units*/Year Delivered</b>	<b>Price per Unit/Year</b>	<b>Total Price/Year</b>
<b>Primary Reduction:</b> _____					
<b>Secondary Reduction:</b> _____
