FUNDAMENTALS OF SUCCESS: PAST, PRESENT, FUTURE

A Stormwater Training Program

TUESDAY, JUNE 4, 2018

8:30 a.m - 3:30 p.m.

MARITIME INSTITUTE, LINTHICUM HEIGHTS

Better Design → Better Construction → Better Maintenance
→ Healthier Streams and Bay

The **Maryland Department of the Environment**
invites you to join them for their second
stormwater training event.

**

***Fundamentals of Success:
Past, Present, and Future***

**

A day of comprehensive training embracing
stormwater management.

Training for local government staff
from Phase I, Phase II, and non-MS4 jurisdictions.

What comes to mind
when you think about
stormwater
management?

Is it successful WIP implementation, building
better or more resilient BMPs, co-benefits,
implementation strategies, or incentives?

Or are you thinking about emerging issues and
integrating sediment, stormwater, and dam
safety for better local and Bay water quality?

This training event is hosted by the
Maryland Department of the
Environment.

Registrations are handled by the
Maryland Center for Environmental
Training

www.mcet.org/swppp

Telephone: 301-934-7500

**Registration will open
April 1st, 2019**

The registration fee includes continental
breakfast and lunch
