Erosion and Sediment Control				
On-going	State enforcement of approved erosion and sediment control measures on extractive properties	Standard operating procedures for BoM will ensure this enforcement happens. Refer to the BoM Annual Report for specifics.	BoM	This is fully implemented and on-going. The full enforcement of these practices, along with reductions achieved by Agriculture, will lead to achievement of the 2020 targets without reductions in other sectors. (See progress table attached)
