

February 1, 2021

The Water and Science Administration has received the applications listed below. A preliminary review has indicated that the listed projects may be subject to the opportunity for a public hearing once the application is substantially complete. Projects may be significantly altered during the review process. The applications and related information are available for inspection and copying. You may also request written notice of any hearing opportunity by having your name placed on the interested persons list for each project in which you are interested. To inspect the file or to have your name placed on the interested persons list, contact the assigned division at the telephone number indicated below no later than Monday, February 28, 2021.

Water Supply Program - (410) 537-3590

County: Anne Arundel

AA2020G002/01: PAX 50, LLC has applied to appropriate and use an annual average of 125,000 gallons of groundwater per day (gpd) and an average of 250,000 gpd during the month of maximum use for nursery stock irrigation. Water will be withdrawn from one well in the Magothy aquifer. The project is located at 3041 Patuxent River Road, Davidsonville, Anne Arundel County, Maryland.
