

Maryland Commission on Climate Change

Mitigation Working Group

April 16, 2019 10:00AM - 12:00PM

Maryland Department of the Environment

1800 Washington Boulevard
First Floor Conference Rooms
Baltimore, MD 21230

Conference Number: (605) 475-4000
Access Code: 997763#

Agenda

10:00AM MWG Meeting Begins

1. **Welcome and Introductions** – MWG Co-Chairs – 5 minutes
2. **Public Comment** – 15 minutes
3. **Buildings Panel Introductions and a Facilitated Discussion on Buildings** – 90 minutes

The panel includes the following experts:

- Tom Walz - Multi Family Energy Production Manager, DHCD
- Cara Martin - COO, Optimized Thermal Systems, Inc.
- Dr. Reinhard Radermacher - Minta Martin Professor, University of Maryland

Each panelist will provide an introductory statement related to the following questions in turn, after which they will remain at the table during MWG member discussion, in order to provide expert opinions and answer any questions that the members may have.

1. *What is an effective and achievable target for decreasing emissions from residential and/or commercial buildings in Maryland?*
2. *What specific mechanisms would you recommend for decreasing emissions from residential and commercial buildings to achieve this target?*

4. **New Business and Wrap-Up** – 10 minutes
 - Summer meeting schedule
 - Additional business from MWG members

12:00PM Meeting Adjourns

The next meeting of the Mitigation Working Group will be **Thursday, May 30th at 10:00AM.**

Comments from the general public can be submitted to the Commission at climate.change@maryland.gov.
