# The Clean and Renewable Energy Standard Mitigation Working Group Discussion

September 17, 2019

# CARES Goals

---

100% Clean Electricity by 2040

Build upon the RPS & draw upon other Maryland clean energy by:

- Increasing the strategic use of zero- and low-carbon clean and **renewable** energy sources;
- Recognizing the clean and safe aspects of **nuclear** energy;
- Supporting **hydropower**, coupled directly with maintaining environmental stewardship;
- Advancing emerging technology for **carbon capture** and storage; and
- Utilizing the role of energy-efficient **combined heat and power**
