Key Contacts

Meghan Conklin, Chief Sustainability Officer: meghan.conklin@maryland.gov

Zachary Schafer, MDE Assistant Secretary for Policy: zachary.schafer@maryland.gov

Our Mandate: From the Governor's Executive Order, **"Ensuring Success with Advanced Clean Cars II and Advanced Clean Trucks in Maryland"**

Executive Order | April 4, 2025

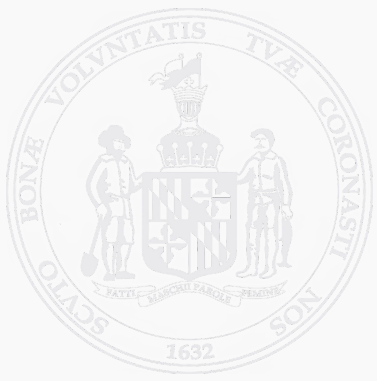

Governor Moore has established this work group to ensure the long-term success of clean vehicle programs in Maryland

Core Directive

"The Working Group shall develop recommendations for how the ACC II and ACT programs can be successfully implemented in Maryland."

Final Deliverable

Report to the Governor and General Assembly by December 31, 2025

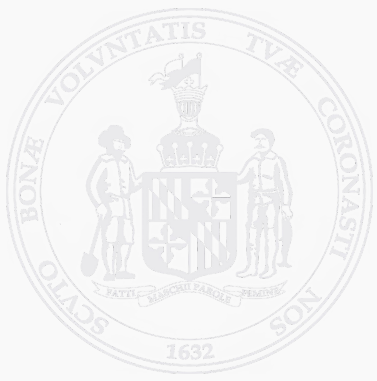

Adapting to a Shifting National Landscape

While Maryland remains committed, the national context for the ACCII and ACT programs has changed significantly.

Key Development | May 2025

U.S. Congress voted to rescind states' authority to enforce ACCII and ACT programs under the Congressional Review Act (CRA).

The bill was signed into law and is now under litigation.

Our Redefined Mission: Charting Maryland's Path Forward

Given the new landscape, Governor Moore has directed this group to recommend Maryland's next steps. Our mission is to:

1. Reduce Transportation Emissions

Tackle the state's largest source of greenhouse gases.

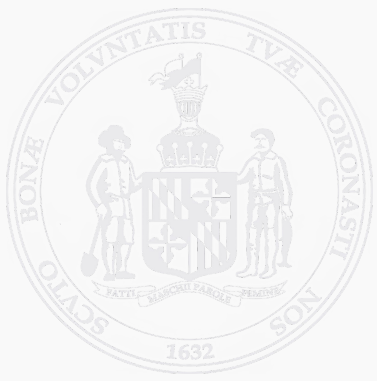

2. Make Progress Toward Ambitious Climate Goals

Continue progress toward Maryland's climate targets.

3. Accelerate EV Adoption & Infrastructure

Strategize the expansion of Electric Vehicles and charging networks.

Agenda for Our Kick-Off Meeting

1. Roundtable Introductions & Goals

Workgroup members will introduce themselves and share their goals for this initiative.

2. Federal & State Landscape Update

Presented by the Maryland Department of the Environment (MDE).

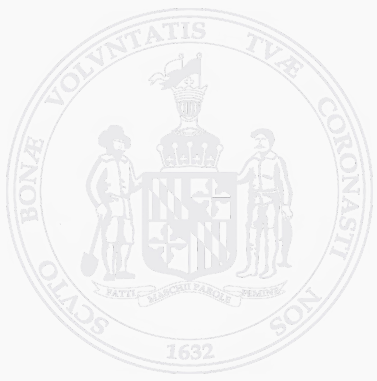

3. Maryland's Current EV Programs

Presented by the Maryland Department of Transportation (MDOT) and the Maryland Energy Administration (MEA).

4. Grid Implications & Planning

Presented by the Public Service Commission (PSC).

Roundtable Introductions
