Radiation Machine Inspection Summary

Form RX 2

A. ADMINISTRATIVE INFORMATION

1. Facility Registration No. _____ - _____ - _____

2. Facility Name _____

3. Component Location _____ **Component Use or Other** _____

4. Radiation Machine Number _____ **Component suffix** _____

B. INSTRUCTION TO THE REGISTRANT

1. If violations of regulatory requirements are found during an inspection, they are cited below and this form will serve as a NOTICE OF VIOLATION. All violations must be corrected and documentation of correction provided to the Department. You are directed to submit available documentation of resolution of the cited violation(s) within 20 days so that the Department will have the most up-to-date information when we review your file for any potential further action. Any violation found may subject you to a financial penalty. The Department is authorized to assess an administrative penalty of up to \$1,000 per violation per day of violation or a civil penalty of up to \$10,000 per day for each violation. If assessed, penalties accrue from the date the violation occurred. Failure to correct the violations cited below will result in this matter being referred to the Office of the Attorney General for formal legal action, which may result in the issuance of an order to revoke your registration.

If you cannot correct a violation within 20 days, provide a written statement identifying each item number, the corrective action, and its anticipated completion date and attach the statement to this form. Again, for reasons noted above, you are directed to submit this information within 20 days. If you wish clarification on any or all these findings or have evidence that contradicts our findings, you may contact the Radiological Health Program.

2. CORRECTION RECORD

VETERINARY FACILITIES: When corrections are made, initial and date each item below, and return this form with a copy of all service repair receipts. This form and accompanying receipts must be returned within 20 days.

ALL FACILITIES SUBJECT TO CERTIFICATION: When corrections are made, have the inspector initial and date each item when corrected. This form must be returned within 30 days.
