#### Add Supervisor Statement of Work (SSW) to a Property

#### Set-1: Steps

Click 'Select' button in 'INSPECTIONS AND CERTIFICATIONS' tile on the dashboard.

• Users having MDE Admin / Inspector / Supervisor roles will have the access.

### Set-2: Steps

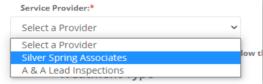

- Supervisor will land on the list of SSWs page where multiple statement of work created by the signed-in Supervisor are displayed.
- Click on 'SSW' tab to view existing list of SSWs or create a new SSW.
- Supervisor lands on 'Add from SSW' page. Click the button 'Add SSW'

- Property record that is selected from the search results will be auto-displayed under address information section.
- Select the service provider from the dropdown. Supervisor's employer(s) will be listed in this dropdown.

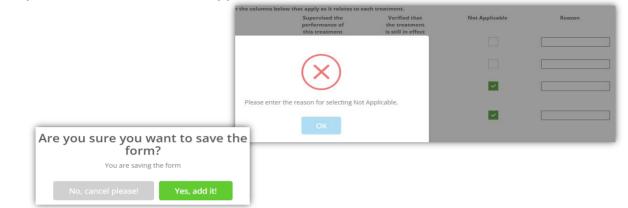

8 questions related to the treatment type are required. Supervisro can check all applicable checkboxes.

Treatment Type	Supervised the performance of this treatment	Verified that the treatment is still in effect	Not Applicable	Reason
Removed and repainted any chipping, peeling or flaking paint on interior and exterior surfaces.				
Repaired any structural defects that could cause paint to chip, peel or flake.				
Repainted, replaced or encapsulated all interior window sills where lead based paint or untested paint exists per COMAR 26.16.05.08				
All untested window wells where lead based paint or untested paint exists are capped, with vinyl, aluminium, or other MDE approved material, in order to make them smooth and cleanable.				
Fixed the top sash of untreated or non-replacement windows to eliminate friction. (Subject to Federal, State and Local Codes.)				
Re-hung all doors to prevent the rubbing together of a lead-painted surface with another surface.				
All kitchen and bathroom floors are overlaid with smooth, water resistant covering.				
The unit is free of visible dust, debris or residue; and HEPA-vacuuming and detergent washing have been done in rooms where repairs were made.
