Maryland Lead Poisoning Prevention Commission Membership Continued

Composition

The Commission categories are established by statute. Md. Code Ann., Envir. § 6-807. All positions, with the exception of the member of the House and the member of the Senate are appointed by the Governor. The terms of the Governor's appointees are four years but a member at the end of his/her term continues to serve until a successor is appointed. The Governor appoints the Chair from among the members. There is no statutory term for the chairmanship.

Recent Changes to Lead Commission Membership

In May of 2020, Senate Bill 18 (SB18) was passed in Maryland. SB 18 alters the membership of the Lead Poisoning Prevention Commission to include one representative each from a nonprofit focused on lead poisoning prevention issues and the American Academy of Pediatrics, Maryland Chapter; removed the Commission members representing a premises liability coverage insurer and a financial institution that makes loans secured by rental Property; repealed certain requirements for a window replacement program; altering the subjects that the Commission may appoint a subcommittee to study to include case management, lead paint abatement service provider education and training, and blood lead testing; etc. These changes become effective October, 1, 2020.
