

Maryland Department of the Environment Voluntary Cleanup Program (VCP)

VCP Application

MDE/VCP Guidance Document Revision Date: 11/12/2024

VOLUNTARY CLEANUP PROGRAM APPLICATION MARYLAND DEPARTMENT OF THE ENVIRONMENT

1800 Washington Boulevard, Suite 625 • Baltimore Maryland 21230-1719 410-537-3493 • 1-800-633-6101 • http://www.mde.maryland.gov

LAND AND MATERIALS ADMINISTRATION LAND RESTORATION PROGRAM VOLUNTARY CLEANUP PROGRAM APPLICATION

> APPLICATION REVIEW AND APPROVAL

The information provided in this application will be used to determine the eligibility of the applicant and the property for Maryland's Voluntary Cleanup Program (VCP) pursuant to Title 7 of the Environment Article.

Within 60 days after receipt of the application, the Department will notify the applicant, in writing, whether the application is approved, incomplete, denied or if the Department has no further requirements related to the investigation of controlled hazardous substances and oil at the property. If the application is denied, the Department will provide reasons for its denial in writing and will advise the applicant that the application may be resubmitted within 60 days.

> PRE-APPLICATION MEETINGS

Applicants may request a pre-application meeting to discuss the environmental issues at the property prior to submitting the application. To schedule a meeting, please contact the VCP at 410-537-3493.

> APPLICATION PACKAGE MAILING ADDRESS

Please submit the application package and required environmental site assessment information and all other available site information to the following address:

Maryland Department of the Environment Voluntary Cleanup Program 1800 Washington Boulevard, Suite 625 Baltimore, Maryland 21230-1719 ATTN: VCP Section Head

> APPLICATION FEE MAILING ADDRESS

Please send the applicable \$6,000 or \$2,000 application fee, made payable to the Voluntary Cleanup Fund, together with the Application Fee Form (VCP Application Attachment I) to the following address:

Maryland Department of the Environment P.O. Box 1417 Baltimore, Maryland 21203

Note – the Application Fee Form must be submitted with the check and may be delivered to the MDE Lobby / drop box

EXPEDITED INCULPABLE PERSON APPROVAL REQUESTS

To obtain expedited inculpable person approval, a written request accompanied by a completed Inculpable Person Affidavit (VCP Application Attachment II) and the \$2,000 fee made payable to the Voluntary Cleanup Fund must be forwarded or hand delivered to the Department at the 1800 Washington Blvd address listed above. Please do NOT send this to the PO Box due to the expedited nature of this process.

> QUESTIONS

Any questions regarding the application should be directed to the VCP at 410-537-3493.

(A) Indicate the interest in the property by checking all the applicable box(es) below.					
Interest in Property Interest in Property					
☐ Currently own property ☐ Under contract for option to purchase property					
☐ Currently renting or leasing property ☐ Under contract for conditional sale of property					
Considering purchasing property Considering making a loan or investment to a purchaser for the acquisition of the property					
Considering renting or leasing property Holder of a mortgage, deed or trust or other security interest					
Other (explain):					
(B) If purchasing the property and a contract offer has been accepted, has a settlement date been scheduled?					
☐ Yes ☐ No Date:					
(C) If considering renting or leasing the property, has the applicant entered into a lease option or lease agreement?					
☐ Yes ☐ No Date term of lease option expires or lease begins:					

IV.	DEPARTMENT ACTION SOUGHT BY APPLICANT (Check only one)
	"No Further Requirements Determination": A "No Further Requirements Determination" is a notice by the Department that it has no further requirements related to the investigation of controlled hazardous substances at the eligible property. Please be aware that the "No Further Requirements Determination" will be conditioned on a specific property use (residential, industrial or commercial) and might include land use controls that include, but are not limited to: maintenance of existing pavement or ground covering; use of air monitoring instruments during excavation; and, a deed restriction on use of groundwater beneath the property for any purpose.
	"Certificate of Completion": A "Certificate of Completion" is a notice issued by the Department after satisfactory completion of an approved response action plan stating: the requirements of the response action plan have been completed; implementation of the response action plan has achieved the applicable cleanup criteria; the Department may not bring an enforcement action at the eligible property; the participant is released from further liability for remediation of the eligible property for any contamination identified in the environmental site assessment; and the participant will not be subject to a contribution action instituted by a responsible person. Please be aware that the "Certificate of Completion" may be conditioned on a specific property use (residential, industrial or commercial) and might include land use controls that include, but not limited to: continual maintenance of controls (e.g., cap); use of air monitoring instruments during excavation; a deed restriction on groundwater use beneath the property for any purpose; periodic inspection of controls; and, submittal of periodic inspection reports to the Department.
٧.	PARTICIPANT STATUS SOUGHT BY APPLICANT (Check only one)
	"Responsible Person": A responsible person is defined as any person who: 1) is the owner or operator of a vehicle or site containing a hazardous substance; 2) at the time of disposal of any hazardous substance, was the owner or operator of any site at which the hazardous substance was disposed; 3) by contract, agreement or otherwise, arranged for disposal or treatment, or arranged with a transporter for transport for disposal or treatment, of a hazardous substance owned or operated by another party or entity and containing such hazardous substances; or 4) accepts or accepted any hazardous substances for transport to a disposal or treatment facility or any sites selected by the person. Please note that there are numerous exceptions to the definition of responsible person set forth in Section 7-201 (x)(2) of the Environment Article, Annotated Code of Maryland.
	"Inculpable Person": An inculpable person is defined as any person who has no prior or current ownership interest in an eligible property and has not caused or contributed to contamination at the eligible property at the time of application to participate in the Voluntary Cleanup Program. An applicant seeking inculpable person status must complete the Application Attachment II: "Inculpable Person Affidavit." Expedited IP letter date:
	Expedited inculpable person approval is requested (additional \$2,000 fee required).
VI.	CURRENT PROPERTY OWNER (if different from applicant)
Orga	anization:
Nam	ne(s) of Representative(s): Title:
Maili	ing Address:
City:	State: Zip Code:
Tele	phone: () - Fax: () - E-mail:
(A)	Indicate the legal form of the applicant's organization and provide the date founded.
VI.	CURRENT PROPERTY USE
(A)	Describe all current property uses (e.g. residential, retail, office space, warehousing, industrial, manufacturing, etc.).
(B)	Provide the property's current zoning classification:
(C)	Are any requests for zoning variances, special exceptions or reclassification pending? If yes, explain.
	Yes No
(D)	Has the property been subdivided during the present ownership? If yes, attach an Yes No explanation and provide the date and zoning classification of the subdivision.

VII.	FUTURE PROP	FRTY USF				
(A)	Indicate the intended future use of the property as defined by the VCP land use definitions. This section must be completed because the selected cleanup criteria and issuance of a No Further Requirements Determination or a Certificate of Completion will be contingent upon the future use of the property. If this section is not completed, the property will be evaluated under the most conservative scenario of Tier 1 (Residential). (Check one.)					
	Tier 1 (Residential) Planned use of the property that allows exposure and access by all populations including infant, children, elderly, and infirmed populations. Tier 1 properties typically include single-family and multifamily dwellings, hospitals and health care facilities, education facilities, day care facilities, playgrounds and other recreational areas.					
	Tier 2 (Commercial	Planned use of the property that allows exposure and access by the general public, workers, and other expected users, including customers, patrons, or visitors. Commercial purposes allow access to the property and duration consistent with a typical business day. Tier 2 properties typically include shopping centers, retail businesses, vehicle service stations, medical offices, hotels, office space, religious institutions and restaurants.				
	Tier 3 (Industrial)	Planned use of the property by workers over the age of 18, adult workers and construction workers, and other potential expected users. Industrial purposes allow access to the property at a frequency and duration consistent with a typical business day. Tier 3 properties typically include manufacturing facilities, maritime facilities, metal working shops, oil refineries, chemical and other material plants.				
	Tier 4 (Public Recreational Areas	Planned use of the property by all populations for recreational uses. Sub-category must be selected based on frequency of use.				
	populations at not limited to, p	cy Use: A high frequency public recreational area is any area that is available for recreational use by all the highest potential exposure frequency (youth, child, adult, senior, etc.). Examples may include, but are playgrounds, day care facilities, schools, golf courses, and picnic areas. The frequency of visits by all 250 days per year or less.				
	Medium Frequency Use: A moderate frequency use public recreational area is any area that is available for recreational use by all populations but the frequency of use is less than a high frequency use public recreational area. Such areas may be restricted through the use of fencing, permitting requirements, or other similar restrictions that prevent or hinder unimpeded access to the recreational area. Examples include, but are not limited to, outdoor aquatic facilities, athletic facilities, dog parks, and limited access parks. The frequency of visits by all populations is 182 days per year or less.					
	restricted by a use may impai open space, in	cy Use: An open space public recreational use area is defined as any area where access and use is combination of: (a) Covenants or other legal restrictions that prohibit the use of the property where such ir the flora and fauna in the open space; and (b) Physical environmental barriers impede the use of the icluding but not limited to swamps, marshes, dense vegetation, and areas with steep inclines that limit the pace. The frequency of visits by all populations is 52 days per year or less.				
(B)	any restriction or o portion of the propo See Section IV of	any land use controls are part of the anticipated future use of the property. "Land Use Controls" means control that serves to protect human health and the environment by limiting use of or exposure to any erty, including water resources. These controls may include engineering controls and institutional controls. the application for examples of land use controls. If this section is not completed, the property will be ne most conservative scenario of unrestricted use (Check one).				
		No land use controls are imposed on the property for residential, commercial, or industrial use, as applicable.				
	D (Neourotou)	One or more land use controls are imposed on the property as a condition for residential, commercial, or industrial use, as applicable. If your development plans or funding do not allow for specific land use controls, these requirements should be communicated to the VCP since additional sampling or additional cleanup may be required.				
(C)		use of the property, please describe any anticipated physical changes to the property (e.g., building g expansion, paving, changes in site operations, etc.)				

VIII.	FUTURE PROPERTY USE (Continued)				
(D)	Will a day care facility be located on the property? (Note: A day care facility is included under the Tier 1 (Residential) or Tier 4 (Public Recreational High Frequency Use) category in the VCP land use definition and is not permitted under Tier 2 or Tier 3 land use categories.)] Ye	es		No
(E)	If known, describe the number and types of businesses that will be operating at the property after completion of the Voluntary Cleanup Program.				
(F)	If known, provide the estimated cost of property redevelopment, number of jobs created, and the the property tax after redevelopment.	appro	ximate i	increase	e in
IX.	INVOLVEMENT WITH OTHER REGULATORY PROGRAMS				
(A)	Based on information known to the applicant, describe any prior contact with federal, State, or local eagencies regarding this property. Prior contact includes any permits, notices of violation, corenforcement actions that have been issued for the property, as well as any applications, remediated or reports that have been submitted for the property.	nsent	orders,	and ot	her
(B)	List all processes, discharges, tanks, and activities at the property that require an environmental include the appropriate regulatory agency contact information, the relevant permit identification in permit's compliance status. Please be advised that if the VCP identifies permits that are out of confidence, tanks, or activities that may not be properly permitted, VCP will notify the appropriate program.	umbe omplia	r, and o	confirm process	the ses,
(C)	Has the applicant ever been convicted in any Maryland state court of a criminal offense under either the Annotated Code of Maryland, Environment Article, Title 7 (Hazardous Materials and Hazardous Substances) or any Code of Maryland Regulations (COMAR) provision promulgated under the Annotated Code of Maryland, Environment Article, Title 7? If yes, attach an explanation.		Yes		No
(D)	Has the applicant ever been convicted in a criminal court of any other state of knowingly or willfully violating that particular state's laws or regulations governing hazardous materials, hazardous substances or hazardous wastes? If yes, attach an explanation.		Yes		No
(E)	Has the applicant ever been convicted in any federal court of a criminal offense under the Resource Conservation and Recovery Act (RCRA) or the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA)? If yes, attach an explanation.		Yes		No
X.	BROWNFIELD INCENTIVE PROGRAMS				
(A)	Is the applicant applying, or does the applicant plan to apply, for grants, loans or property tax credits available through the Brownfields Revitalization Incentive Program? (For more information about this program, please contact the Maryland Department of Commerce at 410-767-0939.) https://commerce.maryland.gov/fund/programs-for-businesses/brownsfields-tax-credit		Yes		No
(B)	Is the property located in a State designated enterprise zone? Contact the Maryland Department of Commerce at 410-767-0939 for information on location of enterprise zones.		Yes		No

XI.	OTHER CONTACTS
(A)	Consultant
Orga	ization:
Name	(s) of Representative(s):
Mailir	g Address:
City:	State Zip Code:
Telep	none: () - Fax: () - E-mail:
	Send copies of correspondence to this contact in addition to the applicant.
(B)	Other (e.g., Project Manager, Attorney)

Mailir	g Address:
City:	State Zip Code:
Telep	none: () - Fax: () - E-mail:
	Send copies of correspondence to this contact in addition to the applicant.
	Attach additional contacts as necessary.
XII.	REQUIRED ENVIRONMENTAL INFORMATION
Purs	ant to Maryland Law, each applicant to the Voluntary Cleanup Program is required to submit the following three items:
(A)	A detailed report of all available relevant information on environmental conditions including contamination at the property known to the applicant at the time of the application. (The report must include all information known about all controlled hazardous substances and oil contamination and a statement that all known environmental information about the property has been provided to the Department. If information provided by the detailed report will be provided as part of the Phase I and Phase II assessments, an applicant may, in lieu of the report, submit a statement that all known environmental information for the property is being provided to the Department as part of the Phase I and Phase II site assessment.)
	All known environmental information for the property is being provided to the Department as part of the following reports (list reports. If additional space is needed, attach a separate sheet.):
TITLE	PREPARED BY DATE NO. OF PAGES
(B)	An environmental Phase I and Phase II site assessment that: (1) includes established Phase I and Phase II environmental site assessment standards; (2) follows the most current principles established by ASTM International; and (3) demonstrates that the assessment has adequately investigated all potential sources and areas of contamination. (A discussion of the requirements for the Phase I and Phase II site assessments is provided in the MDE/VCP Guidance Document available on-line at: https://mde.maryland.gov/programs/land/MarylandBrownfieldVCP/Pages/errp_factsheets.aspx.
	Phase I assessment enclosed Phase II assessment enclosed Phase II work plan enclosed
(C)	A summary description of the proposed voluntary cleanup project including the following information:
	Source(s) of contamination Exposure pathways
	Need for additional investigation (e.g., sampling), if applicable Proposed cleanup criteria
	Proposed remedial alternatives Map depicting areas of the property to be remedied Future land use of the property
(C)	available on-line at: https://mde.maryland.gov/programs/land/MarylandBrownfieldVCP/Pages/errp_factsheets.aspx. Phase I assessment enclosed

XIII. OVERSIGHT COSTS

- (A) The application must be accompanied by an initial application fee of \$6,000, or a \$2,000 fee for each application submitted subsequent to the initial application for the same property, or a \$2,000 fee for each application submitted subsequent to the initial application for contiguous or adjacent properties that are part of the same planned unit development or a similar development plan. The appropriate application fee shall be made payable to the Voluntary Cleanup Fund and will be used by the Department for activities related to the review of proposed voluntary cleanup projects and the direct administrative oversight of voluntary cleanup projects. The Department shall waive the application fees required if the applicant certifies that they intend to use the eligible property to generate clean or renewable energy in accordance with Maryland regulation 26.14.03.02. Please note that submission of a Clean or Renewable Energy Certification Form is necessary with requirements (See 26.14.03.04 and 26.14.03.05).
- (B) If the application is accepted and a response action plan is approved, the participant will be required to file a performance bond or other security with the Department prior to commencement of any work on the property and that there is a \$2,000 fee for issuance of an NFRD or COC with land use controls.

XIV. STATEMENT OF CERTIFICATION

"I, the applicant, certify under penalty of law that the information provided on this application form and within the documents of the application package is, to the best of applicant's knowledge and belief, accurate and complete. I, the applicant, am aware that there are significant penalties for falsifying any information required by the Department under Title 7, Subtitle 5 of the Environment Article, Annotated Code of Maryland, Voluntary Cleanup Program, and that the information in this application is required for the Voluntary Cleanup Program authorized by Title 7, Subtitle 5 of the Environment Article, Annotated Code of Maryland.

I certify I am an authorized representative of the applicant.

I certify that all information on environmental conditions relevant to the property and known to the applicant is provided as part of this application."

Printed Name	Title	
Signature	Date	

(Please note that another signed Statement of Certification must accompany any documents, maps, reports, or other information submitted to the Department subsequent to the initial application. Multiple items can be submitted under a single Statement of Certification; however, an accurate description of the items being submitted should be included in the cover letter.)

INCULPABLE PERSON AFFIDAVIT (Continued)

Acknowledgement

Applicant acknowledges that any fraud or material misrepresentation in this Affidavit shall void inculpable person status, approval letters or certificates of completion issued pursuant to Title 7, Subtitle 5 of the Environment Article.

I acknowledge that this affidavit is made subject to the applicable civil and criminal laws of Maryland including Section 7-267 of the Environment Article of the Annotated Code of Maryland which provides for criminal penalties for false statements in required documents. The Voluntary Cleanup Program application is a document required under Title 7 of the Environment Article of the Annotated Code of Maryland.

I acknowledge that nothing in this affidavit shall be construed to supersede, amend, modify or waive the exercise of any statutory right or remedy under state law with respect to any misrepresentation made.

I DO DECLARE AND AFFIRM UNDER PENALTY OF LAW, THAT TO THE BEST OF MY KNOWLEDGE AND BELIEF, THE CONTENTS OF THIS AFFIDAVIT ARE TRUE AND CORRECT.

VCP Application Attachment III

VCP Application Checklist

Although not mandatory, applicants are encouraged to complete this checklist to help expedite review of the application package. VCP staff will use the checklist to verify that an application package is complete and will notify the applicant of missing items and any other deficiencies.

Prop	erty Name:
Appl	icant:
Date	:
I	II. <u>APPLICATION</u>
	A. Completed Application Form
	Each application question must be completed.
□ F	3. Statement of Certification
	An original, signed Statement of Certification, must be included with the application and with each subsequent submission of information regarding the property.
	C. Application Fee
	Please mail the application fee form and check to the address listed in Attachment I of the application.
	D. <u>Inculpable Person Status Affidavit</u>
	For those applicants seeking inculpable person status (see Section V of the application), please complete and include Attachment II, "Inculpable Person Affidavit," with the application. Applicants requesting an expedited (within five business days) inculpable person determination must submit the \$2,000 fee to the address listed on Application Attachment I.
II. <u>E</u>	NVIRONMENTAL SITE ASSESSMENTS
	For each item, indicate the location of the requested information (e.g., attachment number or document title with date and page numbers).
	A. Current Property Conditions
	Document the property conditions existing at the time of application and summarize any changes that have occurred at the property since the most recent Phase I site assessment.
	Location:
□ E	 3. Current and Past Uses of the Property 1. Provide a complete listing of the entities that have owned and/or occupied (including tenants) the property from the time of first agricultural, commercial, or industrial use or 1940, whichever is earlier. Identify the name and type of each business, the years of occupancy, and the nature of the on-site operations. Location:
	2. Describe the controlled hazardous substances and petroleum products each business stored and handled (or was likely to have stored and handled at the property). Location:

c	eases, land contracts, easements, liens, and other encumbrances on the property. Identify whether any environmental leanup liens are recorded against the property.
p	summarize the standard and supplementary historical sources used to determine the history of the property from the resent back to the property's first developed use or 1940, whichever is earlier.
	Define the current zoning of the property. Describe any requested changes in zoning and detail the status of the request. Location:
☐ C. <u>Hi</u>	storical Maps, Site Plans and Aerial Photographs
pho pro pro	vide legible copies of all available historical maps, including Sanborn Fire Insurance Maps, site plans and aerial stographs. The approximate boundaries of the property must be indicated on each historical map and aerial photograph vided to the Department. Summarize the review of historical site plans to help identify historic on-site work areas, cess areas, manufacturing operations, chemical and hazardous waste handling activities, aboveground and underground rage tanks, and spills or releases that may have resulted in environmental contamination at the property.
Loc	eation:
1. I	operty Investigations Discuss the federal and State environmental records, and any additional environmental reports and records reviewed for the assessment.
I	ocation:
2. (Chronologically summarize all environmental property investigations.
	ocation:
a a ti	Submit one electronic copy of each environmental report previously prepared for the property, including site ssessments, subsurface investigations, and groundwater sampling reports. Include all applicable analytical data reports nd quality assurance / quality control documentation for the laboratory analyses. Review these documents to ensure that here are no missing pages, figures, or appendices.
☐ E. C	urrent and Past Uses of Adjoining Properties
Sur	mmarize the historical and current uses of all adjoining properties.
☐ F. <u>Pr</u>	operty Hydrology
	Describe the property's topography, surface drainage pathways (including man-made channels and drains) and receiving urface water bodies (e.g., wetlands, seeps, streams, rivers, lakes, ponds). Discuss local surface water uses (e.g., eservoir, recreational, irrigation, commercial).
	eser von, recreational, migation, commercial).

each identified feature.

	Location:
	3. Describe the point of discharge (e.g., a drain field, a named or unnamed surface water body, the municipal sanitary sewer, etc.) for each identified feature.
	Location:
	G. Property Geology and Hydrogeology
	Describe the property's soil conditions, geology (including fill materials), depth to groundwater, groundwater flow direction, and potential subsurface contaminant migration pathways. Discuss regional geologic and hydrogeologic conditions. Location:
☐ F	I. Scaled Site Plan
	Provide a scaled site plan which clearly shows the legal boundaries and acreage of the property and the locations of all existing buildings, paved areas, monitoring wells, tanks, surface water bodies, rail spurs, and other notable structures.
	Location:
Пτ	. Site Plan with Utilities
1	Provide a site plan showing the approximate location and depth of each water, sanitary, storm sewer, and natural gas pipeline currently on the property. List service providers for each utility.
	Location:
_	
∐ J	 Tax Parcel Map Provide a current tax parcel map that clearly defines the property boundaries. If a current tax map is not obtainable, please provide a current land survey.
	Location:
F	K. <u>Groundwater Use Investigation</u>
	1. Provide written documentation from the county, municipality, and/or water authority concerning existing potable wells, the availability of municipal water, and potential future groundwater use areas within 0.5-miles of the property boundary.
	Location:
	2. Provide a copy of the county and/or municipality water plan map that depicts existing service areas, planned service areas, and no-service-planned areas within a minimum of 0.5-miles from the property boundary.
	Location:
	3. Contact the Department's Water Supply Program at 410-537-3702 and Water Rights Division at 410-537-3714 to request a survey for all area wells and other available information pertaining to groundwater use in the vicinity of the proposed property. Please note that commercial information search services do not include sufficient information on municipal and/or domestic wells and are not appropriate substitutes for contacting state and local authorities.
	Location:

number, screen depth, and current use of each well. If exact well addresses are unavailable, delineate likely groundwater use areas based on reported street names, subdivision names, and other information available in the well survey and other sources. Provide written documentation from the local health department, engineering department, or water authority, confirming whether or not these wells are being used.					
Location:					
L. Groundwater Map					
Provide a current (i.e., less than one year old) scaled groundwater contour map for the site.					
Location:					
M. <u>Future Development Plans</u> Provide the anticipated future use of the property and any development plans. Detail any planned future improvements (pavement, landscaped areas, buildings, etc.) and/or any changes in current operations (e.g. number of employees that will work on the property, type of work future employees will perform) anticipated for this property. Discuss any proposed alterations to the property, such as grade changes, demolition of buildings, construction of new structures or additions, extensions of public water or sewer, and installation of storm water management systems. Location:					
N. <u>Property Reconnaissance</u> Summarize the methodology, limitations, and findings of the property reconnaissance, and discusses the interior and exterior conditions observed at the property and exterior conditions observed on the adjoining properties. The site inspection should verify the location of all areas that could be potential discharge points. The report should also discuss any limiting site conditions that could affect the results of the reconnaissance such as snow cover, thick vegetation, locked buildings, unsafe areas to enter etc.					
Location:					
O. Interviews Summarize interviews with individuals having knowledge of the past uses of the property including past and present owners, operators and occupants of the property. A separate interview should also be conducted with the user of the Phase I in order to identify any environmental cleanup liens that have been recorded against the property and to help identify possible RECs. Location:					
P. Required Information From Other Requlatory Programs Applicants applying to the VCP with properties that have information regarding other regulatory agencies must identify the programs and regulated items or processes.					
2. Phase II Environmental Assessments 1. Provide an electronic copy of a recent Phase II site assessment for the property. [Note: If an applicant delays filing a Phase II site assessment, all related deadlines for public notice and action by the Department shall be extended and conform with the date the Phase II site assessment is submitted and the application is complete. Env. Art. 7-506(C)(2)]					
Location:					
2. Provide an electronic copy of a work plan for Phase II site characterization of the property for review. Location:					
3. Documentation that sufficient site characterization has been performed to waive Phase II requirement. Location:
