

UST Technician, Remover & Inspector Continuing Education Training Course

This course is presented by Coastal UST Education, LLC. The course is designed for currently certified Maryland UST technicians, removers and inspectors who are in need of continuing education credit to comply with COMAR 26.10.06.09.

The course is offered every 3rd Friday of each month to all properly certified individuals.

The course fee is \$400 per person. Cash, checks, Zelle and Venmo forms of payment are only accepted at this time. Credit cards are not accepted.

For registration, training dates and times please contact Kyle Nelson at 410-507-1698 or via e-mail at rkylenelson@hotmail.com.
