GENERAL FORM – INDIVIDUAL OIL OPERATIONS PERMIT APPLICATION

Application Instructions

1. A commercial or business entity must demonstrate undisputed State taxes and unemployment insurance contributions are in compliance. Both new and renewal applicants must provide a Good Standing Certificate issued by the Comptroller of Maryland with the permit application. The certificate must be requested by completing the current request form available from the Comptroller of Maryland's General Accounting Division's (GAD) website (click on "Quick Links" for a popup menu):
<https://marylandtaxes.gov/divisions/gad.php>.

Send the completed request form to the GAD as instructed on the form. Do not mail this form to MDE. Contact the Comptroller's GAD at (410) 260-7813 (toll free at (888) 784-0144) if you have any questions.

2. A commercial or business entity must provide certification and proof that the owner has registered the commercial or business entity with the Maryland Department of Assessments and Taxation (SDAT) and that the registered entity is in good standing at the time of application. This requirement may be fulfilled by providing a screen print from the SDAT Business Entity search General Information page.
 - Go to the Maryland Business Express website: <https://egov.maryland.gov/businessexpress>
 - Select the "Search" option and search for the entity name.
 - Select the entity name from the search return.
 - From the entity's "General Information" tab, press the "ctrl" and "P" keys at the same time and follow your available printing options.

If the business entity is not found in the database or you have questions, contact SDAT at (410) 767-1330 (toll free at (888) 246-5941).

3. The applicant must provide proof of compliance with the Workers' Compensation Act. Proof may be a copy of a "Certificate of Self-Insurance", a "Certificate of Compliance" from the Department of Labor, or the "Certificate of Liability Insurance" demonstrating compliance with the Workers' Compensation Act. Review FORM F for guidance.
4. Applicants must verify compliance with Maryland county zoning and land use requirements. Acceptable evidence of compliance may include a letter from the appropriate county zoning department or a printout of the SDAT Real Property page demonstrating appropriate land use (e.g., commercial, industrial) for the facility. Review FORM G for further guidance. The facility's property zoning designation may be viewed at the following SDAT link: <http://sdatt.dat.maryland.gov/RealProperty/Pages/default.aspx>.

Alternatively, use the Maryland Department of Planning's FINDER Online map to find your facility's SDAT Real Property page (make sure to view "Parcel Boundaries" on the Layer List):
<https://apps.planning.maryland.gov/finderonline/>.

5. The MCS-90 and MCS-82 forms show proof of coverage in case of an oil spill and are available through your insurance company.

GENERAL FORM – INDIVIDUAL OIL OPERATIONS PERMIT APPLICATION

Certification and Signature

Application is hereby made to the State of Maryland, Department of the Environment, Land and Materials Administration for an Individual Oil Operations Permit for the operations and activities described on the forms being submitted. I certify that I am familiar with the information contained in this application, and that this information is true, complete, and accurate. I further certify that, in accordance with Environment Article § 4-405(b), Annotated Code of Maryland, I have requested and received confirmation from the county that the oil operations business at the location identified on the *Individual Oil Operations Permit Application General Form* meets all zoning and land use requirements for that county. I certify, under penalty of law, that I have personally examined and am familiar with the information submitted in this application form, and that the information provided is true, accurate, and complete. I understand that the inclusion of any false or misleading information, or the exclusion of required information in this application, may cause the Administration to issue an Administrative Complaint seeking civil penalties in accordance with Environment Article § 4-412 and § 4-417¹, Annotated Code of Maryland, and may include the suspension or revocation of any permit or license issued. I further understand that failure to notify the Administration of oil spills, leaks, or discharges regardless of size, is a violation of Sections 4-401 through 4-420 of the Environment Article, Annotated Code of Maryland, which may also subject me to an Administrative Complaint and civil penalties.

Company Name: _____ Date: _____

Signature of Authorized Applicant/Agent: _____

Printed name of Authorized Applicant/Agent: _____

Title of Authorized Applicant/Agent: _____

1. Penalties for False Statements: Any person who makes any false statement, representation, or certification herein is subject to criminal penalties of a fine and imprisonment and to civil monetary penalties, pursuant to §4-417 of the Environment Article of the Annotated Code of Maryland.

Notice: Collection of Personal Records – General Provisions Article § 4-501

This Notice is provided pursuant to § 4-501 of the General Provisions Article of the Maryland Code. The personal information requested on this form is intended to be used in processing your application. Failure to provide the information requested may result in your application not being processed. You have the right to inspect, amend, or correct this form. The Maryland Department of the Environment (MDE) is a public agency and subject to the Maryland Public Information Act. This form may be made available on the internet via the MDE's website and is subject to inspection or copying, in whole or in part, by the public and other governmental agencies, if not protected by federal or State law.
