Class C Operator Certification

Class A or Class B Operator Providing Training

Class A or Class B Operator

By signing my name below, I certify under penalty of law, the following:

- I am the designated Class A or Class B operator for the regulated substance storage facility identified above;
- I understand that this training program and certification for the Class C operator is specific to this regulated substance storage facility for which the individual has been designated, and the training program is not valid for another regulated substance storage facility;
- I have trained and evaluated the Class C operator for the same facility in accordance with COMAR 26.10.16.05F;
- I had the Class C operator demonstrate their understanding of the written instructions required by COMAR 26.10.16.03A(3);
- I have trained and certified the Class C operator in accordance with COMAR 26.10.16.07D;
- I have completed this checklist together with the Class C operator; and
- The information provided is true, accurate, and complete in accordance with COMAR 26.10.16.

§ 4-501 General Provisions Article, Annotated Code of Maryland – Personal Records
