Attach additional pages if necessary.	

### Certification and Signature

Application is hereby made to the State of Maryland, Department of the Environment, Land and Materials Administration for an Individual Oil Operations Permit for the operations and activities described on the forms being submitted. I certify that I am familiar with the information contained in this application, and that this information is true, complete, and accurate. I further certify that, in accordance with Environment Article § 4-405(b), Annotated Code of Maryland, I have requested and received confirmation from the county that the oil operations business at the location identified on the *Individual Oil Operations Permit Application General Form* meets all zoning and land use requirements for that county. I certify, under penalty of law, that I have personally examined and am familiar with the information submitted in this application form, and that the information provided is true, accurate, and complete. I understand that the inclusion of any false or misleading information, or the exclusion of required information in this application, may cause the Administration to issue an Administrative Complaint seeking civil penalties in accordance with Environment Article § 4-412 and § 4-417<sup>1</sup>, Annotated Code of Maryland, and may include the suspension or revocation of any permit or license issued. I further understand that failure to notify the Administration of oil spills, leaks, or discharges regardless of size, is a violation of Sections 4-401 through 4-420 of the Environment Article, Annotated Code of Maryland, which may also subject me to an Administrative Complaint and civil penalties.
