**Citizen Scrap Tire Drop-Off Events – 2022**

The Maryland Department of the Environment (MDE) and Maryland Environmental Service (MES), in conjunction with participating Maryland Counties and Baltimore City, will hold statewide Citizen Scrap Tire Drop-Off Day Events from June to October 2022.

- These events are intended to aid State residents by providing a free, responsible disposal alternative for residents who have accumulated a small number of scrap tires.
- A maximum of ten scrap tires per vehicle and a one-trip-per-household limit. County rules or regulations apply.
- Commercial haulers or generators of scrap tires not permitted.
- Scrap tires collected during the event will be transported by licensed scrap tire haulers to licensed facilities for recycling or disposal.
- A list of county contacts is available on the MDE website here:
