

United States Department of the Interior

BUREAU OF OCEAN ENERGY MANAGEMENT
WASHINGTON, DC 20240-0001

SEP 24 2018

Mr. John Filippelli
Environmental Protection Agency Region 2
Clean Air and Sustainability Division
290 Broadway
New York, New York 10007

RECEIVED
OCT - 1 2018
OFFICE OF THE REGIONAL ADMINISTRATOR

Dear Mr. Filippelli:

The Bureau of Ocean Energy Management (BOEM) acknowledges the U.S. Environmental Protection Agency's (EPA) request sent on July 25 for BOEM to assume the lead Federal agency role for compliance with the Endangered Species Act (ESA), 16 U.S.C. § 1531 *et seq.*, the Magnuson-Stevens Act (MSA), 16 U.S.C. § 1801 *et seq.*, and the National Historic Preservation Act (NHPA), 54 U.S.C. § 300101 *et seq.* on wind energy development projects on the Outer Continental Shelf (OCS) off the Atlantic coast. BOEM will accept this designation for wind energy development projects on the Atlantic OCS for the purposes of fulfilling interagency consultations on the above obligations, and will designate the EPA as a co-action agency for all proposed and future ESA, MSA, and NHPA compliance activities associated with wind development projects on the Atlantic OCS. BOEM will formally notify the appropriate authorities under each of the statutes of this arrangement for the Vineyard Wind Project. BOEM will keep the EPA informed on current and future projects, including their associated consultations.

For any questions or concerns, please direct correspondence to:

Michelle Morin
Bureau of Ocean Energy Management
Office of Renewable Energy Programs
