III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

APPLICATION FOR CERTIFICATION RENEWAL
MARYLAND BOARD OF WATERWORKS AND WASTE SYSTEMS OPERATORS

Page 2

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

APPLICATION FOR CERTIFICATION RENEWAL
MARYLAND BOARD OF WATERWORKS AND WASTE SYSTEMS OPERATORS

Page 2

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

III. CONTINUING EDUCATION:

To qualify for certification renewal, all applicants must demonstrate satisfactory completion of relevant continuing education.

- The number of training units required to renew are based on type of certification and indicated in Section I of this application.
- For all operator categories, except Water Class 1, Water Class 2, Water Class G, Water Distribution, and Wastewater Collection, a minimum of 50% of training units submitted for renewal shall be process related
- Provide proof of training taken during the 3 year renewal period that ends with the expiration date noted on this application. Examples of acceptable documentation include signed transcripts, certificates of completion, and official training cards.
- Proof of training must be submitted with this application and include the Course Code (or TRE number), Course Title, date of completion, number of training hours and process (or non-process) designation.
- Courses can be approved for multiple classifications and categories; the number of required training units is not necessarily cumulative.
- Training requirements for Superintendents are in addition to Operator training requirements and cannot be duplicated.
- No course can be used more than one time for any three-year renewal period.
- All training must be approved by the WWSO Board. The inventory of approved training and additional information related to continuing education can be found on the Board's website.
- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.

- Training requirements for renewal are outlined in COMAR 26.06.01.16 (Table 8).
- Multiple renewal dates can be consolidated if all requirements are met. Requests must be in writing or by email.

IV. REQUIREMENTS FOR OPERATORS IN TRAINING

- Operators In Training are required to attempt the exam for each certification to be renewed within the three-year period leading up the certification expiration date. Passing the exam is not required for renewal.
- Upon passing the exam and obtainment of full certification, the training requirement is reduced by one-third.
- Operators In Training must work under the direction of an Operator in Responsible Charge.

Name and Certification Number of
Operator in Responsible Charge: _____

V. LATE FEES AND REINSTATEMENT

- Failure to complete or submit all renewal requirements by the expiration date will result in a late fee of \$100 in addition to the renewal fee.
- Beyond 90 days, fully certified Operator certifications enter a reinstatement period for the two year period beyond the initial expiration date. The reinstatement fee is \$150 and is additional to the renewal fee.
- Any Operator certificate not renewed after the two-year reinstatement period is considered permanently expired. The unlicensed operator must reapply for OIT certification and complete all OIT requirements, including passing the appropriate exam again.
- There is no reinstatement period for Operators-In-Training (OIT), Grandfather or Superintendent certifications. These remain in the late renewal period and do not permanently expire.

VII. APPLICANT'S STATEMENT

I hereby affirm that I understand all information provided on this application. I also certify the following:

- This application contains no willful misrepresentations or falsification, and that this information given by me is true and complete to the best of my knowledge and belief
- I am aware that should an investigation at any time disclose my misrepresentation or falsification, my application will be disapproved or my certification will be suspended or revoked.
- I agree the Training Sponsors as indicated by my training documentation may release my name, proof of attendance and grade, as applicable, to the Maryland Department of the Environment to verify my proof of training.
