

NEW

Apply by 1/31/22 for Capital Project Funding from MDE's Office of Budget and Infrastructure Program

****CRITICALLY IMPORTANT****

DUNS numbers are being phased out and replaced with "UEI" Unique Entity Identification effective 4/4/2022. A recipient will not be able to accept awards without an UEI number. Information regarding the UEI can be found at [SAM.gov](https://sam.gov).

Please Note: Applications will only be accepted electronically – see instructions on the application.

State FY24 Comprehensive Flood Management Grant (FMG)

For more information, please contact Jeff Fretwell at jeffrey.fretwell@maryland.gov

MDE invites Counties and Municipalities to send applications for the 2024 fiscal year. Applications and supporting documents are due to MDE by January 31, 2022. Notification that your project was selected will be made after the 2023 Maryland General Assembly approves the State's capital budget. Awards will be made after the Maryland Board of Public Works approval. The link to the application is below.

- Please Note: All applications for Comprehensive Flood Management Grant Program funds will only be accepted electronically via email.
- In one email, please submit one Signed copy of the complete application, including all attachments, all supporting documents, and provide a FIRMette created from FEMA's Map Service Center website, <https://msc.fema.gov/portal/home>, a map from our outreach website, <https://mdfloodmaps.net/>, or GIS map with the location of the project clearly identified. **Please note: maximum file size that can be accepted via email is 25MB.** Please contact Jeff Fretwell at jeffrey.fretwell@maryland.gov if you have any questions.
- **ALL EMAIL APPLICATIONS ARE DUE BY 11:59 PM on JANUARY 31, 2022**
- Submit the application to mde.wqfa_announcement@maryland.gov
- It is important to identify this application as a Comprehensive Flood Management Grant application. Please specify by including in the subject line, Flood Application.
