**Comment Response Document
Regarding the 2015 Revision to the Total Maximum Daily Load of Fecal Coliform in the
Conococheague Creek Watershed, Washington County, Maryland**

The Maryland Department of the Environment (MDE) has conducted a public review of the proposed revisions to the fecal coliform TMDL for the Conococheague Creek Watershed. The public comment period was open from February 2, 2015 through March 5, 2015. MDE received no written comments.
