Comment Response Document
Regarding the Total Maximum Daily Load of Fecal Coliform in the Restricted Shellfish
Harvesting Areas of Battle Creek, Buzzard Island Creek and Hog Neck Creek in the Lower
Patuxent River in Calvert and St. Mary's Counties, Maryland

The Maryland Department of the Environment (MDE) has conducted a public comment period of the proposed Fecal Coliform TMDL for the Restricted Shellfish Harvesting Areas of Battle Creek, Buzzard Island Creek and Hog Neck Creek in the Lower Patuxent River Watershed. The comment period was from January 16, 2019 to February 14, 2019. MDE received no written comments.
