

Garrett County 2014 - 2015 Programmatic Two-Year Milestones

Target Date	Milestone	Deliverable	Lead Agency	Comments/Status Updates
Erosion and Sediment Control				
	State enforcement of approved erosion and sediment control measures on extractive properties	Standard operating procedures for BoM will ensure this enforcement happens. Refer to the BoM Annual Report for specifics.	BoM	This is fully implemented and on-going. The full enforcement of these practices, along with reductions achieved by Agriculture, will lead to achievement of both the 2017 & 2020 targets without reductions in other sectors. (See progress table attached)

Garrett County Interim Status Report

January 30, 2015

2014-2015 Milestones

Reported Milestone: State enforcement of approved erosion and sediment control measures on extractive properties.
