

## **Public Notice**

**MARYLAND DEPARTMENT OF THE ENVIRONMENT  
WATER AND SCIENCE ADMINISTRATION  
1800 WASHINGTON BOULEVARD  
BALTIMORE, MARYLAND 21230**

Notice of Application for State Wetland Licenses, Private Wetland Permits, Nontidal Wetlands and Waterways Permits and/or Water Quality Certification and the Opportunity to Provide Written Comment or Request an Informational Hearing

**August 15, 2021**

The Water and Science Administration has received the applications listed below. A preliminary review has indicated that the listed projects may be subject to the opportunity for a public hearing once the application is substantially complete. Projects may be significantly altered during the review process. The applications and related information are available for inspection and copying. You may also request written notice of any hearing opportunity by having your name placed on the interested persons list for each project in which you are interested. To inspect the file or to have your name placed on the interested persons list, contact the assigned division at the telephone number indicated below or send an email to the assigned reviewer no later than September 15, 2021, unless otherwise noted in the Public Notice.

### **Water Quality Certification - (410) 537-3837**

#### **Anne Arundel County**

202161424/21-WQC-0326: Maryland Department of Natural Resources, 580 Taylor Avenue, Annapolis, Maryland 21401 has requested a State Water Quality Certification in connection with its application to the Army Corps of Engineers for a federal Clean Water Act (CWA) permit to restore the stream channel and wetlands at Jabez Branch Tributary 3 (Class III) in Millersville, Maryland. The purpose of this project is to restore impaired hydrological, hydraulic, geomorphic, and physiochemical functions of the stream and wetland ecosystems. The project will temporarily impact 2,199 linear feet (18,768 square feet) of perennial stream, and 185,852 square feet of the 100-year floodplain. The project will also temporarily impact 79,165 square feet of nontidal wetlands, and 70,419 square feet of 25-foot nontidal wetland buffer. The wetland impacts are expected to be self-mitigating on-site through the creation of new wetland areas. Written comments, requests for a public informational hearing and requests to be included on the interested persons list may be sent by September 15, 2021, to the Maryland Department of the Environment, Attn: Alexander Sicard, 1800 Washington Boulevard, Baltimore, MD 21230 or at alex.sicard1@maryland.gov or 410-537-3803. Any further notices concerning actions on the application will be provided only by mail to those persons on the interested persons list. Please refer to the Code of Maryland Regulations 26.08.02 for information regarding the Water Quality Certification application process.
