RE: Phase II & V Acrylamide & Epichlorohydrin Certification

Dear Sir or Madam:

The _____ public water system, public water identification number _____ uses polymers in the treatment of drinking water.

The name of the polymer that we use is _____ and it is fed at the following concentration: _____ mg/L.

We are certifying that when acrylamide and epichlorohydrin are used in our drinking water system, the combination (or product) of dose and monomer level does not exceed the following levels (check the applicable sections):

_____ Acrylamide = 0.05% dosed at 1 mg/L (or equivalent);
_____ Epichlorohydrin = 0.01% dosed at 20 mg/L (or equivalent).

Certified by:

_____ Manufacturer: _____;
_____ Third Party Name: _____.

Name and phone number of person completing form:

Name (please print): _____;

Phone Number: _____.

Sincerely,
