

January 1, 2025

The Water and Science Administration has received the applications listed below. A preliminary review has indicated that the listed projects may be subject to the opportunity for a public hearing once the application is substantially complete. Projects may be significantly altered during the review process. The applications and related information are available for inspection and copying. You may also request written notice of any hearing opportunity by having your name placed on the interested persons list for each project in which you are interested. To inspect the file or to have your name placed on the interested persons list, contact the assigned division at the telephone number indicated below no later than Friday, January 31, 2025.

Water Supply Program - (410) 537-3590

County: Baltimore City

BC2024G002/01: Amtrak Northeast Corridor (NEC) has applied to appropriate and use an annual average of 75,000 gallons of groundwater per day (gpd) and an average of 150,000 gpd in the month of maximum use. The water will be withdrawn from twelve well points in the James Run Gneiss formation to facilitate the construction of the Frederick Douglas utility tunnel. The project is located between Spedden Street and North Payson Street, and between Edmondson Ave and W. Lafayette Ave., Baltimore City, Maryland.

County: Caroline

CO2024G009/01: G. Arthur Steward and George Steward have applied to appropriate and use an annual average of 130,000 gallons of groundwater per day (gpd) and a maximum monthly use of 790,000 gpd from four wells in the Columbia aquifer for crop irrigation. The project is located at 11665 Knife Box Road, Greensboro, Caroline County, Maryland.

CO2024G011/01: Norris Hayman has applied to appropriate and use an annual average of 67,000 gallons of groundwater per day (gpd) and an average of 407,000 gpd during the month of maximum use for crop irrigation. Water will be withdrawn from two wells in the Columbia aquifer. The project is located at 15069 Drapers Mill Road, Goldsboro, Caroline County, Maryland.
