

**January 1, 2022**

The Water and Science Administration has received the application listed below. A preliminary review has indicated that the listed project may be subject to the opportunity for a public hearing once the application is substantially complete. Projects may be significantly altered during the review process. The application and related information are available for inspection and copying. You may also request written notice of any hearing opportunity by having your name placed on the interested persons list for each project in which you are interested. To inspect the file or to have your name placed on the interested persons list, contact the assigned division at the telephone number indicated below no later than Monday, January 31, 2022.

**Water Supply Program - (410) 537-3590**

**County: Kent**

KE2021G001/01: Harborview Farms has applied to appropriate and use an annual average of 258,500 gallons of groundwater per day (gpd) and an average of 1,571,000 gpd during the month of maximum use for crop irrigation. Water will be withdrawn from up to eight wells in the Aquia aquifer. The project is located on the east side of Airy Hill Road, approximately 0.5 mile south of its intersection with Chestertown Road, Chestertown, Kent County, Maryland.
