Dear Mr. Dickson:

Days Cove Reclamation Company hereby submits this letter to the Maryland Department of the Environment for the above-referenced facility (NPDES Permit No. MD 0071587, State Discharge Permit No. 19DP3782) to **request termination of the current discharge permit.**

I certify under penalty of law that all discharges associated with the identified facility that are authorized by this NPDES permit have been eliminated. I understand that by submitting this Notice of Termination, I am no longer authorized to discharge under this NPDES permit, and that discharging pollutants to waters of the State of Maryland is unlawful where the discharge is not authorized by a State or NPDES permit. I also understand that the submittal of this Notice of Termination does not release an operator from liability for any violations of this permit or State or Federal Law
